For hazard identification, Fire fighting measures, accidental release measures, exposure controls/ Personal Protection, Physical and Chemical Properties, Stability and Reactivity, Toxicological Information, Ecological Information, Disposal Considerations, Regulatory Information, **REFER TO MSDS DATA AT ALL TIMES.**

WARNING: Must wear Australian approved full safety equipment when using this product at all times. Taipan Traders will not take responsibility for misuse of this product. Please ensure you read and understand P.D.S. & M.S.D.S. Data before using this product.

Poultry shed Solve is a much required product for cleaning benches and sorting equipment where a water based product cannot be used. This product is a high quality ethanol surfactant compound, to be used like 'spay n wipe'. Poultry shed Solve will clean light soils and sanitise all areas, the benefit of this product is that it will evaporate, no water is required. *Refer to MSDS data for more detailed information.*

Method of Use: Spray area with product and wipe down using a clean Chux cloth or paper, allow area to evaporate.

Storage: Product is to be stored in a cool, protected area. Sheltered from sun and rain. Do not stack drums on top of each other, due to possible chemical hazard. Do not store near other reactive chemicals. Refer MSDS data.

Safety Directions: Avoid Eye Contact.

First Aid: If swallowed contact a doctor or poisons information centre. Phone 13 11 26. If product makes contact with eyes, flush eyes with fresh water immediately for at least 15 minutes.

Emergency Phone: 0499 555 222
